MATTERS ARISING

1. Salvation Army meetings (Chris Norman) - are we doing enough for our visiting speakers? Are we keeping up with what our members are doing?
2. Photo Board (Alan Stone) - what is the progress? Is there more we can do, more we need?
3. Batcombe visit (Alan Stone) - what are the committee's feelings on the centre at Batcombe? Is this the way forward for SMLHG or are there other suggestions, ideas to be considered? Location of a centre? Funding and ongoing financial considerations? Staffing?
