

## Reasons for Not Doing Homework

A recent press report listed the results of a survey and gave the five most common reasons by students for not doing their homework. They were

5 The dog ate it.

4 I was at a funeral.

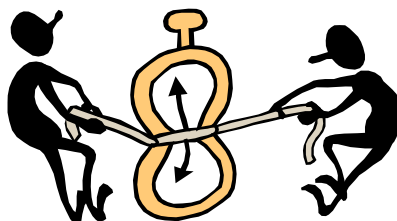

3 I lost the sheet.

2 I couldn't be bothered.

1 I didn't have time.

Though some have the merit of honesty, please note that none will be accepted in this class. Students must come up with much more original excuses.
